

## Prayer for The Ruth Harbor Family

Our interest and relationship with our residents doesn't end when they graduate from Ruth Harbor. They are part of our family. Keep each of these residents and their families in your prayers. Pray for God's protection and provision. Also pray for (in some cases) salvation and for spiritual growth.

## Praise & Thanksgiving

### Praise

Former Resident T- is adjusting well to her new FT job

Former Resident R- is striving to work well on her marriage and her heart is softening to the Gospel; plans on putting her daughter in a private Christian School.

Several groups and individuals have contributed time, energy & resources to support our moms and babies:

- Ella completed her service project... a win-win! She earned her Stars & Stripes Award & RHM gained an organized "store" from which moms can spend their earned points on needed items.
- The painting portion of Ella's project was completed by an individual gifted in this area.
- A new connection with a resident of Carlisle willing to meet ongoing volunteer needs.
- DeAnn & Lisa, Gloria Dei Church, led our first ever Family Life Care (FLC) event, intended to provide positive community opportunities for former RHM residents, and have committed to doing so monthly.
- A FBBC student has chosen to fulfill her Marketing & Fundraising class requirement on a project at RHM.

An individual doubled the impact of her contribution by taking advantage of her employer's matching gift opportunities.

Amazing counseling provided through our partners at Bright Light Counseling who are serving our current residents and kiddos.

Counseling Director, Jess Hall, has joined the RHM team! New opportunities for former residents to receive healing from the past for a better tomorrow.

A RHM Board Member has committed to leading a deck project at our Carlisle Home this spring.

Our Virtual Walk for Life Fundraiser will roll out soon; funds raised will be used toward biblical counseling for our residents and a deck replacement project at our Carlisle Home.

### Prayer

Resident A- is continuing to make arrangements to move closer to family.

Former Resident H- reunited with family and moved back to Chicago; prayer for wisdom and guidance.

Former Resident A- requests prayer for an unspoken request.

Former Resident J- has need for a new van; granted full temporary custody of daughters.

Former Resident E- requests prayer for deliverance from codependency.

Former Resident R- is currently pregnant; seeking community with our Family Life Care Program to serve as needed support.

Former Resident S- has been hospitalized over recent medical difficulties.

Possible ways to partner with a correctional facility for women.

Continued opportunities to grow and develop our Family Life Care Program, as we reengage with former RHM residents seeking positive community support.

A partnering ministry is enduring a renegade volunteer seeking to be harmful and putting out false information on social media.

Consideration of expanding our services to address the needs of women calling for help who are not in need of housing.

God's wisdom and direction as we pursue the goals we are working towards in this new year.
